

Summer Garden Party, 2012

Wednesday 20th June @
**ELM FARM, Stonham
Aspal**

Very many thanks are due to Dee Payne for finding the venue and organising everything with the proprietors. In the midst of a week of wet weather, we were actually favoured with the best day of the summer so far!

All of the ladies and most of the gentlemen (about 80 members in total) arrived in their summer finery and enjoyed what was probably the best food spread we have ever experienced at our Garden Party. Many diets were abandoned for the day!

To fill in between the gossip and the eating, we had a few paper quizzes. No prizes & just for fun, but the answers provided a few surprises and plenty of laughter.
