

## Summer Outing, 20<sup>th</sup> August 2014

Sheringham

Some 40 members had an enjoyable day out for our Annual Outing. This year the weather was kind (for the morning at least).

Traffic problems on the way delayed our stay in Sheringham but there was still time to look around before the journey to Holt in our reserved carriage on the North Norfolk Railway (the Poppy Line). We enjoyed the journey on this heritage route which cuts through the countryside to the east of Weybourne with views of its windmill, and passes through the well preserved country station.

train

The coach picked us up again at Holt and took us into this historic town. Armed with our town guides we enjoyed the atmosphere whilst visiting the varied shops and cafes.

All aboard!
